

Nur Anisah Abdullah

nur.anisah.abdullah@strath.ac.uk ; Mobile:+971562267050

Profile

Dr Anisah graduated with a PhD (Operations Research) from Strathclyde University and is a member of the Association of Professional Futurists. She helps organisations plan strategically, and to design and develop performance measurement systems for organisational improvement. She uses foresight and scenario planning to help organisations go beyond just forecasting to the generation of preferred futures. Her portfolio of strategy development workshops includes UNDP Georgia and Innovative Service Lab Georgia, Employee Provident Fund Malaysia, Ministry of Higher Education Malaysia, National Higher Education Research Institute Malaysia and International Islamic University Malaysia. Her teaching and research work now extends to Foresight and higher education.
